

# VICTORY CORPS AT WAR

## Public Affairs Office

## PAO

### Major Accomplishments :

Embedded more than 700 journalists from over 200 news media organizations with coalition units across Multi-National Corps – Iraq

- Assisted coalition organizations, military and commercial print and broadcast journalists, and other public and private organizations in responding to more than 10,000 queries from around the globe about MNC-I's mission and people
- Distributed more than 950 press releases encompassing MNC-I's eight major subordinate commands to media outlets worldwide
- Wrote and published 50 sets of public affairs guidance to assist MNCI commanders in discussing a wide array of issues with media and other organizations

- Created and maintained the MNC-I web site encompassing all the major coalition military forces supporting Operation Iraqi Freedom

- Created, published and distributed nine editions of the Coalition Chronicle, a monthly full-color magazine averaging 32 pages per issue
- Produced the "Victory Times," a 4 to 8-page newsletter for members of the MNC-I headquarters on Camp Victory in Baghdad, three times each week throughout 2006
- Produced and released two weekly radio programs – the "OIF Update" news roundup and the "Boots on the Ground" feature – to military broadcast outlets worldwide
- Produced and released dozens of video Soldier "hometown greetings" and "shout-outs" for use by U.S. military and commercial television outlets.
